### **Frisco Officer Selected as NASRO Regional Director**

**FRISCO, TX** – Officer Chadd Springer was recently selected as a regional director for the National Association of School Resource Officers (NASRO) for Region 7, which includes Texas, Arizona, New Mexico, and Oklahoma. Regional directors serve two-year terms after being elected by the association's board. Officer Springer competed against many other highly qualified applicants and was selected after the association's president and board reviewed his experience, credentials, training, and recommendation from the Frisco Police Department.

The National Association for School Resource Officers is a nationally recognized, non-profit organization that partners law enforcement, school administrators, and safety professionals with one another in an effort to protect the nation's students and schools. The Frisco Police Department is highly active in ensuring the highest level of safety and security for the city's schools and student body, placing a School Resource Officer in every middle and high school in the district.

Officer Springer is currently assigned to Centennial High School as a School Resource Officer and has served in this position since 2006. Earlier this year, Officer Springer was named the 2009 Officer of the Year for the Frisco Police Department. He has been with this agency for over four years and has more than 13 years of law enforcement experience.
